SHARE Fox Valley is pleased to announce that nominations are now being accepted for the 12th Annual Woman of Power Award. SHARE recognizes women for their significant volunteer contributions to the Fox Valley area and its citizens and for their efforts to change the community for the better. Nomination forms are available online at www.sharefoxvalley.com or by emailing Christina Campos at info@sharefoxvalley.com by **July 15, 2020**.

“Our award is unique. We look for a recipient that serves the community, helps whenever needed and flies under the radar of recognition,” explains Ms. Campos. “Too often women do outstanding things for our community without any recognition at all. We are determined to give these women the recognition they deserve.”

The recipient will be honored at the SHARE 12^h Annual Women’s Power Luncheon to be held at Pipers Banquets, 1295 Butterfield Rd., Aurora, IL 60502. For more information about SHARE, please contact us info@sharefoxvalley.com. All proceeds of the event benefit [Mutual Ground Inc.](#)
